

## Corazon Mining Limited Social Media Policy

---

### 1. Background

Corazon Mining Limited (**Corazon or the Company**) has the following Social Media Policy (Policy) to regulate the use of social media by people associated with Corazon or its subsidiaries. The Policy covers the use of electronic media for engagement within and between the Company and the market by directors, contractors and employees of the Company and the Company's subsidiaries (**Restricted Persons**).

To preserve the reputation and integrity of Corazon and its subsidiaries, this Policy will apply to the wide range of technologies commonly referred to as 'social media' which fundamentally are no different to other forms of communication, but do represent a risk as well as an opportunity because they can connect large numbers of people with relative ease. The rationale for the Policy is to manage the risks associated with the use of technology platforms and tools of this nature.

### 2. Social Media Definition

Social media means online social networking or Web 2.0 technologies services and tools used for publishing, sharing and discussing information, including without limitation blogs or web logs, electronic forums or message boards, micro-blogs (eg: Twitter™), photo sharing sites (eg: Flickr®), social bookmarking sites (eg: Delicious™, Digg™, Reddit™) social networking websites (eg: MySpace™, Facebook®, LinkedIn®, Google+™, Bebo™, Friendster™) video sharing sites (eg: YouTube™), virtual worlds (eg: Second Life®) and wikis (eg: Wikipedia®) and any other electronic media that allow individual users to upload and share content regardless of format.

### 3. Scope of Policy

The Policy outlines requirements for compliance with confidentiality, governance, legal, privacy and regulatory parameters when using social media to conduct Company business.

This Policy is intended to apply to both Corazon and its subsidiaries. References to the Company or Corazon in this Policy should be read as referring to both Corazon and its subsidiaries, as appropriate.

This Policy aims to:

- (a) inform appropriate use of social media tools for the Company;
- (b) promote useful market engagement through the use of social media;
- (c) minimise problematic communications; and
- (d) manage the inherent challenges of speed and immediacy.

This Policy should be read in conjunction with other relevant policies and procedures of the Company and is not intended to cover personal use of social media where the author publishes information in their personal capacity and not on behalf of, or in association with Corazon and no reference is made to Corazon, its directors, employees, policies and products, suppliers, shareholders, other stakeholders or Company related issues.
