¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

CORPORATE GOVERNANCE STATEMENT

Version effective September 2020

CORPORATE GOVERNANCE STATEMENT

The Board of Directors has a clear understanding that it is responsible for Corazon Mining Limited (Corazon, the “Company”) corporate governance and recognises the importance of its corporate governance framework in establishing accountabilities, guiding and regulating activities, monitoring and managing risks and optimising the Company’s performance.

The CGC Principles and Recommendations presently consist of recommendations relating to eight Principles. The ASX Corporate Governance Council recognises that not all Recommendations are appropriate for all companies and acknowledges that a company should only adopt those Recommendations that are suitable for its circumstances. The Board believes that the corporate governance policies and procedures in place as at the date of this Statement largely follow the Recommendations.

The Board considers that the implementation of a small number of the Recommendations is not appropriate for the Company, for the reasons set out in the statement in relation to certain Recommendations. The Board uses its best endeavours to ensure that exceptions to the Recommendations do not have a negative impact on the Company and the best interests of shareholders as a whole and explains in the statement the alternative processes in place to accommodate for the variation.

During the FY2020 the Board reviewed all of the Company’s Corporate Governance Codes, Charters, Policies and Guidelines. The following updated Corporate Governance Codes, Charters, Policies and Guidelines have been adopted by the Board and put on the Company’s website:

1. Code of Conduct
