About Corazon

Corazon Mining Limited (ASX: CZN) is a Western Australian gold exploration and development company. Following the acquisition of the Chalice Gold Project, Corazon's primary focus is the rapid advancement of Chalice through an aggressive resource growth drilling programme in the established Higginsville gold district of the Eastern Goldfields. Chalice hosts a 191,000oz JORC 2012 Mineral Resource at 2.7g/t Au on a granted Mining Lease, a 645,000oz production history, and sits within 130km of seven operating processing facilities including Westgold's 1.6Mtpa Higginsville CIL facility. Westgold Resources Limited (ASX: WGX) will hold a ~19.9% strategic interest in Corazon following completion of the Acquisition and Placement.

Corazon's broader portfolio includes the Two Pools Gold Project in the Plutonic-Marymia Greenstone Belt and the Feather Cap Gold Project in the Bryah-Padbury Basin, Western Australia, together with the Lynn Lake Nickel-Copper-Cobalt Sulphide Project in Manitoba, Canada.
